LEED Material Information

Date:	
Submittal Register Number:	

General Product Information

Product:	#302W COLUMN WEB TIE - STAINLESS STEEL
Manufacturer:	Hohmann & Barnard, Inc
Supplier:	
Total Product Cost:	

Project Information

Project Name:		
Location:	◉ **USA** ○ **CANADA**	
	CITY	STATE
Subcontractor:		

Product Specific Information

VOC Content (g/L) '	0%
Location of Manufacture (City/State): [2]	Select Location Closest to Jobsite
Mileage To Jobsite:	
% Pre-Consumer Recycled Content	99%
% Post-Consumer Recycled Content	0%
FSC Chain-of-Custody Certification No.	
Supporting Document Type Attached [3]	

Product Component Information

Product Component	Location of Extraction of Raw Materials [4]	Mileage to Jobsite	% Weight [5]
STEEL	BROOKLYN, NY		100%

*Note 1: VOC Content required for adhesives, sealants, paints, and coatings.

*Note 2: "Manufacture" refers to the final assembly of components into the building product that is furnished and installed by tradesmen. For example, if the hardware comes from Dallas, TX; the lumber from Keene, NH; and the joist is assembled in Syracuse, NY; then the location of Manufacture is Syracuse, NY.

*Note 3: Examples of supporting document types include "Cut sheet," "Letter from manufacturer," or "Product literature."

*Note 4: This information to be provided for any product manufactured (See Note 2) within 500 miles of jobsite.

*Note 5: % Weight = (Weight of Component / Weight of Product) 100

Notes

*****THIS CERTIFICATION BECOMES NULL & VOID IF THE PRODUCTS LISTED ABOVE ARE NOT PURCHASED THROUGH HOHMANN & BARNARD, INC.*****

Subcontractor Certification

We herby certify that the material information contained herein is an accurate representation of the material qualifications to be provided by us, as components of the final building construction. Furthermore, we understand that any change in such qualifications during the purchasing period will require prior written approval from the Construction Manager and the Owner.
