

Tambour paneling fits nearly any surface adding appeal, dimension, and color to the space. It is ideal solution for wainscoting, ceilings, as a wall covering and more. Constructed from bamboo splits and backed with a strong canvas backing, our tambour is malleable and easy to cut. It is an excellent way to create a unique look in any room. Our bamboo tambour features high quality, real bamboo strips and is available in a variety of colors.

Specifications

SKU 17166

Grain / Color

Horizontal Grain / Ebony

Dimensions

8' wide, 4' long, 3/16" thick or

4' wide, 8' long, 3/16" thick

(Grain runs the length of the panel)
