Ponderosa

Ponderosa is at home with many architectural styles, including Prairie, Craftsman and Bungalow. Monterey, California Ranch, American Farmhouse and Cottage styled homes are all historically referenced with a Ponderosa roof tile installation.

Bel-Air

Bel-Air's clean lines are a natural with French Country, French Farmhouse and Victorian architectural styles. French Provincial and English Country styled homes will also benefit from the application of Bel-Air roof tile.

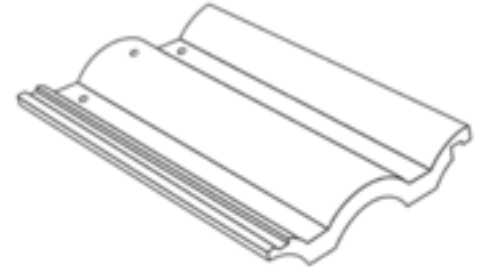

Capistrano

Capistrano works naturally with Spanish Colonial, Spanish Mission and Spanish Villa architectural styles. Italianate and Mediterranean homes also have a historic connection to the look of Capistrano.

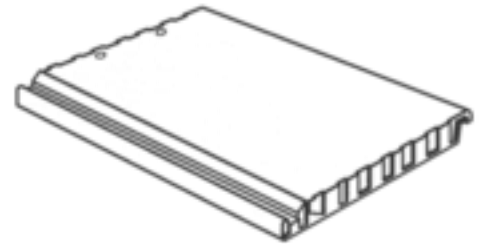

Malibu

Malibu, with its mission tile reference, looks its best on homes that exhibit elements of Spanish, Mediterranean or Italian architecture.

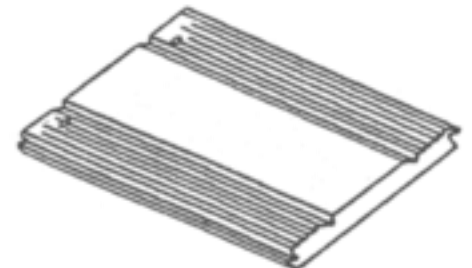

Estate

The traditional architectural styles of French Country, French Provincial, English Country, French Farmhouse and Victorian will be most compatible with Estate slate.

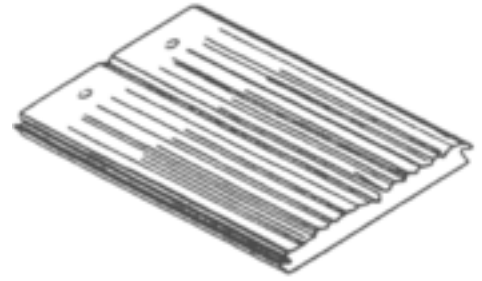

Golden Eagle

The upgraded wood shake look created with Golden Eagle is naturally paired with many traditional architectural styles. Monterey, California Ranch, American Farmhouse and Cottage styled homes will all be enhanced with a Golden Eagle roof tile installation.

Double Eagle Ponderosa

Double Eagle Ponderosa, with its custom wood shake appearance, rests naturally on the roofs of Monterey, California Ranch, American Farmhouse, Cottage, Prairie, Craftsman and Bungalow styled homes.
