### ZIP System® Tape Specifications\*\*

Roll Length	90 - feet
Nominal Width	3.75 - inches 6 - inches

\* 5/8" ZIP System Roof sheathing carries the Structural 1 panel grade.

\*\* Although all projects are unique, experience has shown that 1-roll of tape is needed for approximately 7-sheets of ZIP system sheathing. This should only be considered a general "rule of thumb" when ordering materials with the understanding that some jobs may require more or less depending on specific project.
