

# KuraStone™

**Canyon**

**Desert**

**Mountain**

## **KuraStone™ Piece Options**

KuraStone pieces are available in three (3) colors Mountain, Desert and Canyon. All piece options are available in all colors. Pieces are designed with no dedicated top or bottom, so that you can flip pieces to ensure a random pattern.

### **KuraStone Wall Pieces**

KuraStone wall pieces are not ship-lapped, nor are they sealed on top and right edges as Nichiha fiber cement panel products. KuraStone pieces feature grooves on four sides, so that clips and starter track can be inserted into any side. Wall pieces are 6" in height and come in three(3) lengths, 10-1/4", 15-3/8" and 25-5/8". When installing pieces randomly use the different lengths in order to stagger piece seams on the wall. One pack contains 3 long, 2 short and 2 medium pieces.

25-5/8" (l) x 6" (h) x 1-3/8" (t)

15-3/8" (l) x 6" (h) x 1-3/8" (t)

10-1/4" (l) x 6" (h) x 1-3/8" (t)

### **KuraStone Pre-Manufactured Outside Corner Pieces**

Available in all colors, each KuraStone Outside Corner is manufactured with a short and a long side. Flip corners on each course so that a long side always aligns with a short side, and continue the length of the corner.

11-5/8" (l) x 6" (h) x 1-3/8" (t)

### **KuraStone Inside Corner Pieces**

KuraStone Inside Corner Pieces come in a 17" long (large) and 10-1/4" (small) size. Each side of an inside corner requires the use one of each size piece, alternating the sizes up the length of the corner. Each inside corner piece has a mitered edge that will set into the corner; pieces are designed with no dedicated top or bottom, so that corner pieces can flip on each course.

17" (l) x 6" (h) x 1-3/8" (t)

10-1/4" (l) x 6" (h) x 1-3/8" (t)

### **KuraStone Border Pieces**

Border pieces come in 17" (large) and 10-1/4" (small) lengths with one 1-1/2" finished return edge. Pieces are designed with no dedicated top or bottom, so that return pieces can alternate on each course. Use KuraStone border pieces for material transitions or against door and window trim (optional).

17" (l) x 6" (h) x 1-3/8" (t)

10-1/4" (l) x 6" (h) x 1-3/8" (t)
