

Industrial Flooring

Sikafloor® PurCem®

URETHANE
MORTAR
FLOORING
SYSTEMS

Ultra heavy duty performance floors

For areas where both cleanliness and durability are crucial, PurCem® polyurethane concrete flooring systems deliver absolute reliability. PurCem combines the most demanding performance characteristics—resistance to impact, abrasion, aggressive chemicals, and thermal shock.

- *Highly durable surface suited for heavy traffic & aggressive use*
 - > *Withstands thermal shock from steam & thermal cycling*
 - > *Superior chemical, abrasion and impact resistance*
- *Slip-resistant textures for wet surfaces; decorative quartz options for enhanced aesthetics*
- *Odorless and non-toxic, zero VOC formulation*
- *Excellent workability and quick cure for minimal downtime*
- *Can be applied over partially cured concrete (<10% moisture)*
- *Easy maintenance; superior life cycle cost advantages*

Sika®

PurCem® INDUSTRIAL FLOORING SYSTEMS

Superior Heavy Duty Performance.

Ideally suited to industrial, institutional and commercial uses, PurCem floors provide performance for the long haul.

Light- to Heavy-Duty, to 212°F

- > **PurCem® 21N SL**
Self Leveling, Smooth Finish.
Cementitious urethane floor resurfacer (3/16" to 1/4") with a smooth finish for light- to heavy-duty applications.

- > **PurCem® 22N SLB**
Slip-Resistant Quartz Finish.
Easy to install, slurry/broadcast cementitious urethane floor resurfacer (3/16" to 1/4") with slip-resistant quartz aggregate broadcast and solid colored finish.

- > **PurCem® 22N SLQ**
Decorative Quartz Finish.
Easy to install, slurry/broadcast cementitious urethane floor resurfacer (3/16" to 1/4") with colored quartz aggregate broadcast and clear lock coat finish.

Medium- to Heavy-Duty, to 240°F

- > **PurCem® 19N HD**
Heavy Duty, Slightly Textured.
Trowel applied cementitious urethane floor resurfacer (1/4" to 3/8") with slightly textured non-slip finish for medium- to heavy-duty use.

- > **PurCem® 20N RT**
Heavy Duty, Textured.
Screed-applied cementitious urethane floor resurfacer (1/4" to 3/8") with a textured non-slip finish for medium- to heavy-duty use.

PurCem® System Supplements:

PurCem® 31N
Cementitious Coating

PurCem® 29N
Cementitious Detailing
& Vertical Cove Mortar

TYPICAL APPLICATIONS

COMMERCIAL & INSTITUTIONAL	
business office buildings	
cafeterias/restaurants	■
correctional institutions	■
retail & shopping centers	
schools/education facilities	■
sports & entertainment venues	
HEALTH CARE	
animal holding facilities	■
health care facilities	■
veterinary clinics	■
INDUSTRIAL & MANUFACTURING	
beverage processing	■
chemical processing	■
electronics	
food processing	■
manufacturing, heavy	■
manufacturing, light	■
pharmaceutical production	■
water treatment	■
TRANSPORTATION	
aircraft hangars	
automotive dealerships	
transportation terminals	
vehicle maintenance areas	
COMMON AREAS	
aisleways/corridors	■
break rooms	
chemical areas	■
clean rooms	■
cold storage	■
kitchens, industrial/commercial	■
laboratories	■
loading docks	■
lobby areas	
mechanical rooms	
mezzanines	
restrooms & shower areas	■
warehouse/distribution	■
