Re: TremGlaze S700 – LEED™ Product Information

"LEED" is a trademark of the
U.S. Green Building Council

To Whom It May Concern:

Tremco, as an organization, is committed to quality, responsive to internal and external customers, our employees, our community and environment, and we will treat all with respect and good stewardship.

TremGlaze S700 is made in Cologne, Germany. Should your job site be within 500 straight-line miles of Cologne, this material will help contribute positively towards the Locally Manufactured Material Credit.

No single extracted material is used to produce the majority of this product. Additionally, all raw materials come from one of several sources which in-turn come from one of several raw material feed stocks. As such, point source for the raw materials cannot be determined.

Recycled Content By Weight (all in packaging)

30 ctgs (1 case)	0.08%	(all post-consumer)
60 ctg cases (1 pallet)	2.10%	(0.08% p.c. and 2.02% post-industrial)
15 ssgs (1 case)	0.09%	(all p.i.)
66 ssg cases (1 pallet)	2.19%	(0.09% p.c. and 2.10% p.i.)
1 x 2 gal pail	0.00%	
96 x 2 gal pails (1 pallet)	1.64%	(all post-industrial)
1 x 5 gal pail	0.00%	
36 x 5 gal pails (1 pallet)	1.98%	(all post-industrial)

TremGlaze S700 contains 15 g/L volatile organic content (VOC) and therefore satisfies the LEED criteria for Indoor Environmental Quality.

Should you have any questions or require additional information, please do not hesitate to contact Technical Services.

Sincerely,

Michael Schmeida
