

Section 1 - Product and Company Identification

| | |
|--------------------|--|
| Material Name | - Gator-Skin |
| Chemical Category | - Polyolefin Coated Roofing Underlayment |
| Product Code | - FGSY100 |
| Product Use | - Roofing |
| Distributor | - APOC 4161 E. 7th Avenue Tampa, FL 33605 United States |
| Telephone | |
| Technical | - 813-248-2101 |
| <u>Emergency</u> | - 800-424-9300 |
| Last Revision Date | - 4/20/2016 |

Section 2 - Hazards Identification

Signal Word – WARNING

GHS Hazards and Precautions

The mixture does not meet the criteria for classification. All components of this product are encapsulated within the material and are not expected to be a hazard when handled and used under normal conditions. Breathing dust from this product may cause temporary scratchy throat, congestion, and slight coughing. Getting dust on the skin or in the eyes may cause temporary itching, rash, or redness.

| | |
|------------------|--|
| Prevention | Observe good industrial hygiene practices. |
| Response | Wash hands after handling. |
| Storage/Disposal | Store away from incompatible materials. Dispose of waste and residues in accordance with local authority requirements. |

GHS Hazard Symbol – Not Required

| | |
|---|--|
| Physical Form | - Solid |
| Color | - Grey/Black |
| Odor | - No Odor |
| Flash Point | - N/A |
| OSHA(HCS2012) | - Classification Not Required |
| WHMIS | - No Data Available |
| GHS | Eye Irritation – Category 2B (Mild Irritant), Skin Irritation – Category 3 (Mild Irritant) |
| Route Of Entry | - Inhalation, Skin, Eye, Ingestion/Oral |
| Medical Conditions Aggravated by Exposure | - Chronic respiratory or skin conditions may temporarily worsen from exposure to these products. |

Potential Health Effects

Inhalation

- Acute (Immediate)** - Expected to be a low inhalation hazard. Some dust may be formed from cutting the product. Breathing dusts may cause short term irritation of the mouth, nose and throat.

- Chronic (Delayed)** - Not Classified

Skin

- Acute (Immediate)** - No adverse effects due to skin contact are expected.

- Chronic (Delayed)** - This product is not expected to cause skin sensitization.

Eye

- Acute (Immediate)** - Direct contact with eyes may cause temporary irritation.

- Chronic (Delayed)** - Not Classified

Ingestion

- Acute (Immediate)** - May cause irritation of stomach or mechanical system blockage.

- Chronic (Delayed)** - No data available

Carcinogenic Effects

- This product is not considered to be a carcinogen by IARC, ACGIH, NTP, or OSHA.

Section 3 - Composition/Information on Ingredients

| Chemical Name | CAS | %(wt) | LD50/LC50 | Classifications According to Regulation/Directive | Other |
|------------------|------------------------|--------|-----------|---|-------|
| Polypropylene | 9003-07-0 | 50-75% | NDA | NDA | |
| UV Stabilizer | Mixture | 2-4% | NDA | NDA | |
| Polymer Additive | Proprietary Ingredient | 5-10% | NDA | NDA | |
| Polyethylene | 9002-88-4 | 15-25% | NDA | NDA | |

See Section 11 for Toxicological Information.

Section 4 - First Aid Measures

- Inhalation** - Move to fresh air. Call a physician if symptoms develop or persist.
- Skin** - Wash off with soap and water. Get medical attention if irritation develops and persists.
- Eye** - Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
- Ingestion** - Rinse mouth. Get medical attention if symptoms occur.
- Other Information** - Direct contact with eyes may cause temporary irritation. Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.

See Section 2 for Potential Health Effects.

Section 5 - Fire Fighting Measures

- Extinguishing Media** - Water fog. Foam. Dry chemical powder. Carbon dioxide (CO₂).
- Unsuitable Extinguishing Media** - Do not use water jet as an extinguisher, as this will spread the fire.
- Firefighting Procedures** - Burning polyester can cause severe burns to the skin. Those involved in flame evaluation of the product should avoid breathing any combustion fumes or gases. Decomposition products generated from molten plastic may be subject to auto ignition. Use water spray to cool unopened wrapped pallets. Use standard firefighting procedures and consider the hazards of other involved materials.
- Unusual Fire and Explosion** - No unusual fire or explosion hazards noted.

Hazards**Hazardous Combustion Products**

- During fire, gases hazardous to health may be formed.

Protection of Firefighters

- Self-contained breathing apparatus and full protective clothing must be worn in case of fire.

Flash Point

- N/A

Section 6 - Accidental Release Measures**Personal Precautions**

- No known issues.

Emergency Procedures

- N/A

Environmental Precautions

- No environmental hazards are associated with this product.

Containment/Clean-up Measures

- Pick up large pieces. Vacuum dusts. Do not sweep dry dusts. If sweeping is necessary, use a dust suppressant such as water. Comply with state and local regulations for disposal of this product.

Prohibited Materials

- None listed

Section 7 - Handling and Storage**Handling**

- Avoid breathing any dust that may evolve during processing. Avoid prolonged exposure. Observe good industrial hygiene practices.

Storage

- Avoid all possible sources of ignition and other fire hazards.

Incompatible Materials or Ignition Sources

- No Listing

Section 8 - Exposure Controls/Personal Protection**Personal Protective Equipment****Pictograms****Respiratory**

- In case of insufficient ventilation, wear suitable respiratory equipment.

Eye/Face

- Wear safety glasses with side shields (or goggles).

Hands

- Wear appropriate protective gloves.

Skin/Body

- Wear suitable protective clothing.

General Industrial Hygiene Considerations

- Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking.

Engineering

- Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level.

Exposure Limits/Guidelines

| | Result | ACGIH | NIOSH | OSHA | |
|----------------|--------|----------|--|--|--|
| Dust (general) | TWAs | 10-mg/m3 | 10-mg/m3 total dust; 5-mg/m3 respirable fraction | 15-mg/m3 total dust; 5-mg/m3 respirable fraction | |

Section 9 - Physical and Chemical Properties**Physical Form**

- Solid

Appearance/Description

- Rolls

| Viscosity: | NDA | Flash Point Test Type: | NDA |

Section 10 - Stability and Reactivity

| | |
|---|---|
| Stability | - Material is stable under normal conditions. |
| Hazardous Polymerization | - Hazardous polymerization not indicated. |
| Conditions to Avoid | - Open Flame, Extreme Heat or Burning Material. |
| Incompatible Materials | - Strong oxidizing agents. |
| Hazardous Decomposition Products | - Combustion of this product may produce hydrogen, oxygen, carbon, nitrogen and/or oxides of carbon and nitrogen. |

Section 11 - Toxicological Information

| Component Name | Concentration | CAS | Data |
|----------------|---------------|-----|------|
| N/A | | | |

| | |
|---|---|
| IARC Monographs. Overall Evaluation of Carcinogenicity | - None of the components in this product is listed as a carcinogen by IARC, NTP, US OSHA or the European Directive (67/548/EEC) |
| Other Information | - (N/A) |
| Reproductive toxicity | - This product is not expected to cause reproductive or developmental effects. |
| Specific target organ toxicity - single exposure | - Not classified. |
| Specific target organ toxicity - repeated exposure | - Not classified. |
| Aspiration hazard | - Not available. |
| Chronic effects | - Prolonged inhalation of dust may be harmful. |

Section 12 - Ecological Information

| | |
|----------------------------------|---|
| Ecological Fate | - The product is not classified as environmentally hazardous. |
| Persistence/Degradability | - No data is available on the degradability of this product. |
| Bioaccumulation Potential | - No data available. |
| Mobility in Soil | - No data available. |
| Other adverse effects | - No other adverse environmental effects (e.g. ozone depletion, photochemical ozone creation potential, endocrine disruption, global warming potential) are expected from this component. |

Section 13 - Disposal Considerations

| | |
|------------------|---|
| Product | - Dispose of in accordance with all state, local and federal regulations. |
| Packaging | - Dispose of in accordance with all state, local and federal regulations. |

Section 14 - Transportation Information

DOT - United States - Department of Transportation:
Shipping Name: Not Regulated as Dangerous Goods

IATA – International Air Transport Association:

Shipping Name: Not Regulated as Dangerous Goods

IMO/IMDG –International Maritime Transport:

Shipping Name: Not Regulated as Dangerous Goods

Section 15 - Regulatory Information

- SARA Hazard Classifications** - Acute Health Hazard (possible dust)
- Risk & Safety Phrases** - All components are on the U.S. EPA TSCA Inventory List. This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.
- TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)** - Not regulated.
- CERCLA Hazardous Substance List (40 CFR 302.4)** - Not regulated.
- SARA 304 Emergency release notification** - Not regulated.
- OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050)** - Not regulated.
- SARA 302 Extremely hazardous substance** - Not listed.
- SARA 311/312 Hazardous** - No
- SARA 313 (TRI reporting)** - Not regulated.
- Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List** - This product contains no substances at or above the reporting threshold subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1985 and 40 CFR Part 371, based on available data.
- Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)** - Not regulated.
- Safe Drinking Water Act** - Not regulated.
- US. California Proposition 65** - This product contains no listed substances known to the State of California to cause cancer, birth defects or other reproductive harm, at levels which would require a warning under the statute.
