Sets in seconds when exposed to water

AQUAFIN® FIX 10-S

Ultra fast setting hydraulic cement

Description/Benefits:

- Easy application - no mixing needed in most cases
- Use both interior and exterior
- Stops water leaks in less than 30 seconds
- Waterproof
- Durable
- No odor - no fumes
- Available in 13 lb. and 26 lb. pails
- Compare to: Hey'Di Powder X, Vandex Plug

Typical Applications

In concrete and masonry:

- Plugs/stops active water leaks
- Dries out wet areas
- Seals leaky joints, cracks or form tie holes

Think Globally. Act Locally.
