

Rapid setting, horizontal grade floor finish

AQUAFIN® LEVEL-Patch-FF

Description/Benefits:

- Apply from feather edge to 3/8" (9.5mm)
- One component - just add water
- Rapid setting - ready for floorcovering applications in 15-20 minutes
- Mixes to a smooth, creamy consistency
- 0 VOC's - qualifies for LEED points
- Available in 10 lb. pails
- Compare to: Ardex Feather Finish, Mapei Mapecem FineFinish

Typical Applications:

- Skim coating/smoothing rough textured concrete substrates and approved wood subfloors/underlayments
- Fill minor voids, holes and cracks in concrete
- Interior residential homes, apartments, condominiums
- Interior commercial buildings, hospitals, hotel rooms/lobbies, restaurants, schools, cafeterias
- Deteriorated concrete repair mortar edges
