## Armstrong

## MATERIAL SAFETY DATA SHEET

F	Armstrong World Industries, Inc.					
	Environment, Health and Safety			Division: Buildi	ng Products	
2	2500 Columbia Avenue, P.O. Box 3001					
Ι	Lancaster, PA 17604		Date: 6/09 (replaces 6/06)			
T	Technical Services: 1-877-276-7876					
				N/A = Not applic	cable or Not Available	
Ι	Issued By: Environment, Health & Safety Department		N/K = None Known or Not Known			
	HMIS ( $0 = \text{minimal hazard}, 4 = \text{severe hazard}$ )		Department of Transportation Information Shipping name : Not Classified			
F						
	Health $= 0$		Hazard Class : N/A			
	Flammability $= 0$		-		No: N/A	
	Reactivity $= 0$		Eme	ergency <u>Only</u> Contac	ct: CHEM-TEL 800-255-	3924
I.	Product Information					
	A. Product Name : Armstron	g MetalWorks Mes	h Ceiling P	anels - MSDS #5a		
	B. Chemical Name and Synonyms :	N/A				
	C. Chemical or Product Family :	N/A				
T						
I.	Ingredient Information	<u> </u>				
	A. Hazardous Components ( Chemical Identity; Common Name )	<u>C.A.S No.</u>	<u>%</u>	OSHA PEL	<u>ACGIH TLV</u>	
	(Chemical Identity, Common Name)					
	None These products are electrogalvanized s		-	N/A	N/A	
	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon thei	steel and aluminum ticle" according to T prmed to a specific s	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for	steel and aluminum ticle" according to T prmed to a specific s	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
П.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon thei under normal conditions of use.	steel and aluminum ticle" according to T prmed to a specific s	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
П.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon thei under normal conditions of use. <u>Physical Data</u>	steel and aluminum ticle" according to T ormed to a specific s r shape and design,	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
П.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon thei under normal conditions of use.	steel and aluminum ticle" according to T ormed to a specific s r shape and design,	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
П.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon their under normal conditions of use. <u>Physical Data</u> A. Appearance and Color : Material of	steel and aluminum ticle" according to T ormed to a specific s r shape and design, dependent	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
П.	None These products are electrogalvanized as These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon their under normal conditions of use. <u>Physical Data</u> A. Appearance and Color : Material of B. Boiling Point ( degrees F ) : N/A	steel and aluminum ticle" according to T ormed to a specific s r shape and design, dependent	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
11.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon their under normal conditions of use. <u>Physical Data</u> A. Appearance and Color : Material of B. Boiling Point ( degrees F ) : N/A C. Vapor pressure ( mm Hg @ 20 degrees	steel and aluminum ticle" according to T ormed to a specific s r shape and design, dependent	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
Ш.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon their under normal conditions of use. <u>Physical Data</u> A. Appearance and Color : Material of B. Boiling Point (degrees F): N/A C. Vapor pressure (mm Hg @ 20 degrees D. Vapor density (Air = 1): N/A	steel and aluminum ticle" according to T ormed to a specific s r shape and design, dependent	ceilings. Fitle 29 of t shape or de	the Code of Federal sign during manufac	Regulations, cture, have	
п.	None These products are electrogalvanized s These products are classified as an "ar OSHA Part 1910.1200(c). They are for end use functions dependent upon their under normal conditions of use. <u>Physical Data</u> A. Appearance and Color : Material of B. Boiling Point ( degrees F ) : N/A C. Vapor pressure ( mm Hg @ 20 degrees D. Vapor density ( Air = 1 ) : N/A E. Solubility in Water : N/A	steel and aluminum ticle" according to T ormed to a specific s r shape and design, dependent s C ) : N/A	ceilings. Fitle 29 of t shape or de and do not	the Code of Federal sign during manufac	Regulations, cture, have	
1.	<ul> <li>None</li> <li>These products are electrogalvanized as These products are classified as an "ar OSHA Part 1910.1200(c). Continued : Armstrong MetalWorks Mesh Ceiling Panels - MSDS #5a Date: 6/09 (replaces 6/06) V. Health Data A. Primary Route (s) of Entry: N/A B. Target Organs: N/A Effects of Overexposure : N/A Skin and Eyes: N/A Inhalation : N/A C. Carcinogenicity NTP: No IARC Monographs : No OSHA Regulated : No D. Medical Conditions Generally aggravated by Exposure: None Known E. First Aid Procedures Skin and Eyes: N/A Inhalation: N/A VI. Reactivity Data A. Stability: Stable B. Incompatibility: N/K C. Hazardous decomposition products : None D. Hazardous Polymerization: Will not occur. VII. Spill or Leak Procedures A. Steps to be taken if material is released or spilled : N/A B. Waste Disposal method : Dispose in accordance with federal, state and local waste disposal regulations. VIII. Special Protection Information A. Ventilation: N/A B. Respiratory Protection: None required C. Skin and Eye Protection : None required IX. Special Precautions A. Precautions to be taken in handling and storage: N/A B. Other Precautions : N/K The information presented herein is supplied as a guide to those who handle or use this product. Safe work practices must be employed when working with any materials. It is important that the end user makes a determination regarding the adequacy of the safety procedures employed during the use of this product.
