Axiom® Glazing Channel trim for glass partitions

Axiom® Glazing Channel extruded aluminum trim for 3/8" and 1/2" glass partition walls offers fully concealed integration with all Armstrong acoustical and drywall ceiling systems. Glass disappears into the plenum* to create a clean, installed visual.

KEY SELECTION ATTRIBUTES

- Five trim profile options to coordinate with lay-in, Tegular and Vector® ceiling panels and drywall grid system
- Axiom® trim is part of the Sustain™ portfolio and meets the most stringent industry sustainability compliance standards today
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim (Cleaning and CDC-approved disinfecting options available on armstrongceilings.com/cleaning)
- Coordinated fit and finish ensures delivery of design intent
- Seismic solution for category D, E, F installations
- Coordinates with Armstrong ceiling and suspension systems; custom colors available
- 10-Year Limited Warranty, 30-Year System Warranty

COLORS Due to printing limitations, shade may vary from actual product.

Standard

White
(WH)

Custom Colors
Available**

** Colors that are pre-qualified to meet Sustain portfolio requirements are available upon request. Other made-to-order colors must be evaluated if sustainability criteria is required. Lead time will increase.
