Lyra PB Tegular panels in Toffee Chestnut with Suprafine® XL 9/16" suspension system

Lyra PB Tegular in Bourbon Cherry

Lyra® PB wood-look panels provide the natural beauty of large format wood ceilings with superior sound absorption and sustainability attributes without the expense.

**KEY SELECTION ATTRIBUTES**

- Superior sound absorption: Lyra PB panels provide up to 0.95 NRC
- Lyra PB panels are part of the Sustain® portfolio, and meet the most stringent industry sustainability compliance standards today
- Mold- and mildew-resistant surface
- Lightweight panels offer fast and easy installation on standard 15/16" and 9/16" suspension system
- Sag-resistant: perfect for high-humidity applications
- Fast lead times
- Axiom® Trim options available for cloud applications
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim
- Compatible with TechZone® Ceiling Systems
- Made in the U.S.A. of domestic and global content
- Build America, Buy America (BABA) Act compliant
- 30-Year Limited System Warranty against visible sag, mold, and mildew

**COLORS** Due to printing limitations, shade may vary from actual product.

**Standard Wood-look Visuals**  
(9/16" Square Tegular)

9/16" Square Tegular – 1 Ctn. Min Order Qty in Standard Sizes  
15/16" Square Tegular and Square Lay-in – 500 SF Min Order Qty

**Made-to-order Wood-look Visuals**  
(9/16" & 15/16" Square Tegular)

500 SF Min Order Qty.

ACCESSORIES (must be ordered separately)

435 Stabilizer Clip (3/4" & 1")  
Recommended for panels 60" and greater in length  
NOTE: Panels 60" up to 96" – One clip near mid-point of each long edge. Panels 96" and over – Two clips at 1/3 points of each long edge.

7870 Spring Border Clip  
(For installations with the panel resting on the wall molding)

SUSPENSION SYSTEMS

PHYSICAL DATA

**Material**  
Fiberglass with plant-based binder and acoustically transparent membrane

**Surface Finish**  
Acoustically transparent membrane with factory-applied latex paint.

**Fire Performance**  
Class A: ASTM E84 and CAN/ULC S102 surface burning characteristics. Flame Spread Index of 25 or less. Smoke Developed Index of 50 or less.

**ASTM E1264 Classification**  
Type B, Form B2, Pattern G Fire Class A

**Humidity/Sag Resistance**  
HumiGuard® Plus ceiling panels are recommended for areas subject to high humidity, up to, but not including, standing water and outdoor applications.

**Anti-Mold/Mildew**  
Ceiling tiles with BioBlock® performance resist the growth of mold and mildew on the tile surface.

**High Recycled Content**  
Classified as containing greater than 50% total recycled content. Total recycled content based on produced composition of post-consumer and pre-consumer (post-industrial) recycled content per FTC guidelines.

**VOC Emissions**

Third-party certified compliant with California Department of Public Health CDPH/EHLB/Standard Method Version 1.2, 2017. This standard is the guideline for low emissions in LEED®, WELL Building Standard®, Living Building Challenge® (LBC), CalGreen Title 24, ANSI/ASHRAE/USGBC/IES Standard 189; ANSI/GBI Green Building Assessment Protocol.

**Insulation Value**  
R Factor – 4.4 (BTU units); R Factor – 0.70 (Watts units)

**Design Consideration**  
Physical product samples for standard colors are available upon request. Please refer to the physical product sample prior to making a final selection. While we strive to ensure exact color matches, various factors such as differences in materials, texture, substrate porosity, painting processes, lighting, and observer subjectivity can all affect how paint colors appear on ceiling and wall panels, suspension systems, and trim products.

Due to these and other differences, ceiling and wall panels, trim products, and suspension systems with the same color name will coordinate but may not be an exact color match.

Product is dye-lotted. Order sufficient initial quantities and attic stock to minimize possible color variation.

**Design Consideration: Wood-Look Panels**

All wood-look panels are produced with wood grain parallel to the panel length. Wood-look visuals are not dye-lotted, but are designed to mimic slight color variations as seen in real wood.

**Cleaning and Disinfecting**

Cleaning and CDC-recommended disinfecting options available on [armstrongceilings.com/cleaning](http://armstrongceilings.com/cleaning)

**30-Year Performance Guarantee & Warranty**  
When installed with Armstrong® Suspension System. Details at [armstrongceilings.com/warranty](http://armstrongceilings.com/warranty)

**Weight: Square Feet/Carton**  
8356PB – 0.46 LBS/SF; 96 SF/CTN
