

MetalWorks™
Mesh

Armstrong®
World Industries

Industrial Design

The industry's broadest portfolio of standard mesh ceilings allows you to weave, weld, and expand – now with standard torsion spring, lay-in, and tegular panels. Should your imagination exceed the norm, bend the rules with our custom capabilities.

Weave a new tale. Whether you follow a linear road or hopscotch the squares, your woven story can have a colorful conclusion. Eighteen standard designs and eight finishes provide the possibilities.

Weld a work of art. Sculpt a modern masterpiece with seven welded designs available in eight flashy finishes.

Expand your horizons. Climb the lattice or ride a waterfall's cascade with seven expanded metal patterns in ten finishes.
