

FASTSIZE™

Made-to-Order Ceiling Panels and Suspension Systems

The sizes you need...
factory finished...
one carton minimums...
shipped fast!

▲ FastSize™ panels with Suprafine® XL® suspension system

Made-to-order sizes and colors for ceiling panels and suspension systems; one carton minimum...shipped fast!

KEY SELECTION ATTRIBUTES

- Size flexibility for panels and suspension systems
- Factory-finished edge details on ceiling panels
- Factory-finished routing for suspension systems
- FASTSIZE™ availability is called out on each product page in this catalog
- Lyra®, Calla®, and suspension systems available in any color. Ship time may vary based on color selection.
- FASTSIZE™ lead times (order-to-ship):
 - 3 weeks for panels (whites and select colors)
 - 2 weeks for suspension systems in sizes or select colors
 - 24-hour turnaround on made-to-order quotes
- One carton minimums

INSTALLATION BENEFITS

- Eliminates time consuming field-cutting and painting of tegular panel edges
- Faster, easier installation... saves time and labor
- Makes panel and grid installation adjacent to linear lighting fast
