Acoustical Clouds
coarse texture

Tectum Shapes panels suspended application – 2" thick

CAD/Revit® drawings at:
armstrongceilings.com/cadrevit

Tectum® Shapes deliver design flexibility and acoustical performance in a suspended or direct-attach system formats.

KEY SELECTION ATTRIBUTES

- Shapes are available in suspended or direct attach formats for maximum design flexibility
- Tectum panels are part of the Sustain® portfolio and meet the most stringent industry sustainability compliance standards today
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim (standard colors only)
- Mold- and mildew-resistant surface
- Available in 1", 1-1/2", and 2" panel thickness in premium and custom shapes
- Direct-attach shape panels can be mechanically fastened to a wide variety of surfaces including masonry, drywall, wood, and more
- 1-1/2" and 2" suspended shapes install with 15/16" Prelude® Suspension System
- Seismic DEF approved
- Can be field painted up to 6 times without impacting acoustic or fire performance
- USDA-Certified Biobased Product 98% (preferred for government projects)
- Made in the U.S.A. of domestic and global content
- Build America, Buy America (BABA) Act compliant

TECTUM DESIGN CAPABILITIES

COLORS Due to printing limitations, shade may vary from actual product.

Custom Colors
Available**

* Standard color options; Nature-inspired colors are premium.
All colors shown are pre-qualified to meet Sustain® portfolio requirements.

** Custom, made-to-order colors must be evaluated if sustainability criteria is required. Lead time will increase.

CUSTOM SHAPES

Tectum Custom Shapes

CUSTOM SHAPES

Create your own shapes!

For assistance, call TechLine at 877 276-7876.

Widths: 23-3/4 to 48"
Lengths: 23-3/4 to 96"
Thickness: 1", 1-1/2", 2"

PHYSICAL DATA

Material

FSC® Certified
Cementitious Wood Fiber; FSC® certified. For more information about FSC® certified fire-retardant products, or to view our FSC® certification letter, contact TechLine at 877 276-7876.

Surface Finish

Factory-applied latex paint with Silicate surface coating for abuse resistance. Natural is unpainted.

Fire Performance

Class A. Flame Spread Index 25 or less and Smoke Developed Index 50 or less when tested in accordance with ASTM E84.

CAN/ULC S102 surface burning characteristics. Flame Spread Index of 25 or less and Smoke Developed Index of 50 or less.

VOC Emissions

Third-party certified compliant with California Department of Public Health CDPH/EHLB/Standard Method Version 1.2, 2017. This standard is the guideline for low emissions in LEED®, WELL™ Building Challenge, CalGreen Title 24, ANSI/ASHRAE/USGBC/IES Standard 189; ANSI/GBI Green Building Assessment Protocol.

Humidity/Sag Resistance

HumiGuard® Plus performance panels are recommended for areas subject to high humidity, up to, but not including, standing water and outdoor applications.

Anti-Mold/Mildew

Ceiling tiles with BioBlock® performance resist the growth of mold and mildew on the tile surface.

Installation Considerations

Use caution and wear appropriate hand, eye, and dust mask protection when cutting and installing Tectum® panels. Refer to installation instructions for complete details and cutting recommendations. Beveled edges on all sides should be specified on all adjoining panel installations.

Primary (Embodied) Energy

See all LCA information on our EPDs.

Application Considerations

Color variation among panels is common due to the natural characteristics of the wood.

Wood fibers may appear orange on Natural colored panels due to the characteristics of the wood.

Low angle lighting exaggerates variation inherent to the manufacturing process and is not recommended for Tectum installations.

Design Considerations

Tectum Shapes are inherently directional due to manufacturing constraints. The finished visual on the front and back of the panel will not match exactly. 360 degree factory or field painting is recommended for all installations.

Design & Pre-Construction Service

For complimentary design and pre-construction assistance, contact ProjectWorks® or visit armstrongceilings.com/projectworks

Cleaning and Disinfecting

Cleaning and CDC-approved disinfecting options available on armstrongceilings.com/cleaning

Warranty

30-Year Warranty. Details at armstrongceilings.com/warranty
