Angle Trim

A 3D cutaway diagram of a wall assembly. The assembly consists of a thick, light gray concrete or masonry block on the right. To the left of this block is a vertical cavity containing several vertical wooden studs. A layer of yellow insulation is positioned between the studs and the green slatted panel. The green slatted panel is made of horizontal slats and is attached to the wall assembly with small metal fasteners. The panel is shown in a slightly recessed position, revealing the internal structure.
