- (c) ACFoam® wherein the moisture content as shown by the moisture content test taken on the sample at the time of evaluation indicates an excess of three percent (3%) moisture by weight;
- (d) ACFoam® which has not been handled, stored, or used according to the instructions outlined on Atlas labels or Atlas product literature in effect at the date of sale.

(5) **How to Make Evaluation of R-Value and claim:** If at any time after the first (1st) year from the date of purchase of the ACFoam®, but prior to the twentieth (20th) year, buyer decides to evaluate the ACFoam® R-Value, he shall notify Atlas in writing at the address shown above at least sixty (60) days prior to the removal of the installed samples. Buyer agrees that an Atlas representative shall monitor and choose the sampling places, the testing facility, and the testing procedures. Buyer agrees, at its own expense, to remove samples, replace and repair the sample area, and have tests made on the ACFoam® only in the presence of an Atlas representative.
