LIMITED SHINGLE WARRANTY

LIMITED SHINGLE WARRANTY

ATLAS ROOFING CORPORATION ("ATLAS") warrants to you, the original owner of its shingle products, that this product is free from any manufacturing defects that materially affect the performance of your shingle during the Premium Protection Period or that cause leaks for the balance of the applicable warranty period. This warranty is effective on all product types stated herein and installed in the United States and Canada on or after 2/1/2015.

LIMITED WARRANTY PERIOD ▶

Your ATLAS shingles qualify for a limited warranty (as listed in the chart below) when properly installed in accordance with the product's application instructions (as provided on the product packaging).

PREMIUM PROTECTION PERIOD ▶

Premium Protection Period refers to the initial full labor & material coverage during the critical first years of your roof's life (see chart for product specific premium protection periods). The limited warranty is the sole and exclusive remedy, and during the warranty period specified in the chart below, the maximum repair or replacement cost to ATLAS shall not exceed during the Premium Protection years, the replacement cost to the owner for the product plus replacement labor cost for the defective shingles. (This limited warranty does not include costs for tear-off and dump fees after the fifth year from the original installation date. This limited warranty does not include costs for roof deck repairs, flashing, metal work, or related work.)

PRORATED LIMITED WARRANTY PERIOD ▶

During the remaining warranty period (after the Premium Protection Period), ATLAS will adjust valid claims (product materially affected by a manufacturing defect), by an amount determined by decreasing monthly the replacement cost of the product in proportion to the unexpired warranty period. To reflect the percent of use you have received from your shingles, the warranty calculation will be made by dividing the number of months that have elapsed since installation by the number of months in the warranty period. If applicable, the StormMaster® Slate, StormMaster® Shake, Pinnacle® Pristine, and ProLAM™ Lifetime Limited Warranty proration after the 45th year or 540th month of installation will have a 10% proration factor for the lifetime of the original owner (see LIMITATIONS AND RESTRICTIONS FOR THE LIFETIME LIMITED WARRANTY). In no event shall ATLAS' liability extend to any cost for the tear-off of the product or for the replacement installation cost of the new product during the prorated period.

LIMITATIONS AND RESTRICTIONS FOR THE LIFETIME LIMITED WARRANTY ▶

ATLAS will provide the homeowner who initially purchases StormMaster® Slate, StormMaster® Shake, Pinnacle® Pristine Shingles, or ProLAM™ with a warranty that last the lifetime (lifetime meaning the lifetime of the original property owner, not the roof, or the second owner, if coverage was properly transferred during the first five years) of the homeowner's possession, provided that proper product installation in accordance with the instructions (as provided on the product packaging) is followed.

The lifetime coverage offered by this warranty automatically ceases/ends upon the sale of the property or the death of the last of the homeowners who owned the home at the time of the application, unless it is transferred as described below under Transferability.

The lifetime limited warranty option is only available for individual single family site-built detached residences. A 50 year limited warranty would apply to all property owned by government agencies, corporations, limited liability companies, partnerships, trust, religious organizations, schools, or school districts, condominiums, or cooperative housing arrangements, or installed on apartment buildings or any type of building or premises not used by individual homeowners for a single family site-built detached residence.

LIMITATIONS OF REMEDIES AND LIABILITY ▶

This limited warranty is the sole and exclusive remedy provided by ATLAS for shingles containing manufacturing defects. For those shingles containing manufacturing defects, your maximum remedy is outlined herein under the sections entitled **Premium Protection Period** and **Prorated Limited Warranty Period**. The decision on which of the stated remedies is provided to an original owner or authorized transferee in each individual case shall be at the sole discretion of ATLAS. If proration

applies as stated above, ATLAS will calculate the appropriate percentage as stated herein under **(Prorated Limited Warranty Period.)** If providing replacement shingles, ATLAS, wherever possible, shall replace shingles with shingles of the same color and design; however, since color variances exist between shingles manufactured at different times and since ATLAS may discontinue or modify its shingles, ATLAS reserves the right to replace defective shingles with shingles of similar color and design.

IN NO INSTANCE IS ATLAS RESPONSIBLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES. THE DURATION OF ANY IMPLIED WARRANTY IS HEREIN LIMITED IN DURATION TO THAT OF THE EXPRESS WARRANTY STATED HEREIN.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions may not apply to you.

SOLE WARRANTY ▶

THE LIMITED WARRANTIES SET FORTH HEREIN ARE EXCLUSIVE AND LIMITS AS TO DURATION ALL OTHER WARRANTIES WHETHER EXPRESSED OR IMPLIED BY LAW INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE TO THE TIME PERIODS STATED ABOVE. ATLAS MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, OTHER THAN THE LIMITED WARRANTY SET FORTH HEREIN. THIS LIMITED WARRANTY CONTAINS ALL OF THE PROVISIONS OF YOUR REMEDIES FROM ATLAS. ATLAS' LIABILITY IS LIMITED TO THE PROVISIONS OF THIS LIMITED WARRANTY, WHETHER ANY CLAIM AGAINST IT IS BASED UPON STRICT LIABILITY, NEGLIGENCE, BREACH OF WARRANTY OR ANY OTHER THEORY OR CAUSE OF ACTION. NO PERSON IS AUTHORIZED TO ALTER THIS LIMITED WARRANTY EITHER ORALLY OR IN WRITING. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

WIND LIMITED WARRANTY ▶

(Covers shingles only) ATLAS warrants that its shingles will resist damage by wind gusts up to a maximum wind speed as indicated in the Warranty Details chart provided that the shingles have been installed in accordance with the printed application instructions on the shingle bundle wrapper, and have had the opportunity to seal down. If during the Wind Limited Warranty period, indicated in the Warranty Details Chart, damage occurs to the shingles as a result of wind gusts under the specified Wind Speed Limits, ATLAS will furnish at no charge, replacement shingles for the damaged shingles only, but not for replacement labor. The coverage against wind gusts as described above is 15 years for lifetime shingles and 5 years for all other shingles from the date of installation.

High Wind Speed Provision: Atlas offers the property owner a 130 mph high wind speed provision for StormMaster Slate, StormMaster Shake, and Pinnacle Pristine shingles that have the "Built with HP Technology" designation on the product packaging (produced in Ardmore, Daingerfield, Franklin, Hampton, and Meridian) when following the Atlas standard 4-nail application as seen on the product packaging.

All Atlas Shingle Products Tested To:

ASTM D 7158, Class H Wind Resistance, Passed to 150 mph

ASTM D 6381, Uplift Resistance

ASTM D 3161, Class F Wind Resistance, Tested at 110 mph

SEALANT FEATURE ▶

In order to activate the sealant feature, the shingles must be exposed to direct sunlight for a continued period of time for the shingles to seal. Shingles installed in fall or winter and not exposed to adequate surface temperatures, or other conditions, which temporarily or permanently preclude activation of the sealant, may never seal and must be hand sealed at the time of installation. It is not a manufacturing defect if shingles fail to seal under the above circumstances, and Atlas will not be responsible for repair, replacement, or hand sealing shingles under these circumstances. However, in the event the shingles fail to self-seal after proper installation and climactic exposure, and Atlas is notified within the first year after installation, ATLAS' sole responsibility shall be to pay a reasonable cost to hand seal the affected shingles.
