**Scotchgard™**  
shingle protector

Maintain your roof's appearance for years by resisting the black streaks caused by algae.

**HP42®**  
technology

These bigger 42" shingles mean a faster install, quicker clean up and less waste - plus big savings on materials and labor.

**CLASS 3**  
impact resistance

UL 2218 Class 3 impact resistance rating offers protection against harsh weather conditions, keeping your home safe and secure.

To provide homeowners the most accurate representation of color options, several photo scans and house shots were utilized in various lighting conditions. Variations in lighting illustrate the color gradients on asphalt shingle roofs.

Color blends vary from shingle to shingle. Before installation, consult with your contractor and request to view the actual shingles being installed on your roof to ensure confidence in your final color selection.
