

The Lumivent[®]

Bilco has re-engineered its domed fire vent to provide a new low profile cover design and to enhance its thermal insulation. The Lumivent[®] gives you natural daylight, energy efficiency, and the protection you need as well as the performance you expect from Bilco — all at competitive pricing.

Standard Features Include:

- Multi-wall, polycarbonate cover design offers over a 40% improvement in insulation performance compared to traditional domes
- The patented Bilco Thermolatch[®] II latching mechanism provides reliable operation and easy resetting
- Cover design maximizes light transmittance while minimizing solar heat gain
- Covers are surface treated to resist UV degradation
- Covers are fully gasketed for weathertight construction
- Available in standard UL Listed sizes

Cross-section of covers
