

CertainTeed
Easi-Lite®
Lightweight Gypsum Board

Up to 30% lighter than standard wallboard

Ideal for wall and ceiling applications.

The Easi-Lite® Advantage:

- Up to 30% lighter – easy to lift, carry and install which results in faster installation
- For wall and ceilings applications up to 24" (610 mm) o.c.
- Uniform high-strength, sag resistant gypsum core with 100% recycled face and back paper
- Scores and snaps with less dust
- GREENGUARD GOLD Certified
- Solid, strong edge hardness – tapered edges for perfect joints

One Board – Multiple Applications

Lighter weight
and sag resistance
makes Easi-Lite
ideal for ceilings.

Easi-Lite® can be used on walls and ceilings. For ceiling applications when joists/trusses are spaced up to 24" (610 mm) o.c. the board is to be installed perpendicular. The application of water-based texture is permitted.
