

# The Landmark® PRO Advantage

## Why Landmark PRO's Warranty Stands Out

### Why this matters to you:

- Only manufacturer who protects homeowners against ALL manufacturing defects, not just leaks
- Because of our quality, we're able to stand behind our shingles with an industry-leading warranty
- Lifetime limited transferable warranty\*
- SureStart™ warranty period covers material, tear-off, labor, flashing and disposal

## Superior Granule Adhesion

### Why this matters to you:

- Granules are the first layer of protection against weather
- Provides long-lasting color aesthetic, so your roof continues to look beautiful for years to come

## Third-Party Testing

### Why this matters to you:

- We have third party evaluation services regularly monitor product testing to ensure they continually meet all industry standards, including fire classification, wind resistance, impact resistance and physical properties

## Landmark PRO — The Professional's Choice

- Lifetime limited transferable warranty\*
- 15-year 110/130 mph wind warranty\*
- **StreakFighter® 30-year algae resistance\***

# Innovative technologies available in all Landmark PRO shingles

## Industry-leading Adhesion

### QuadraBond®

Advanced Layering

- Industry leading four-point adhesion between layers
- Superior bond prevents shingles from delaminating, maximizing performance

## Time-tested Performance

### CertaSeal®

Uplift Protection

- 20-year record of proven performance against wind uplift and shingle blow-off
- Sealant is engineered to remain flexible, won't dry out and crack

## The Ultimate in Algae Protection

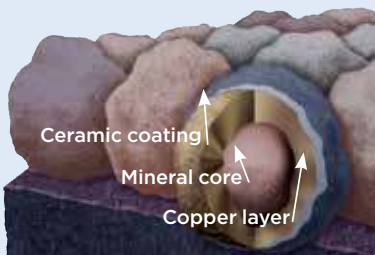

### StreakFighter®

Algae Resistance

- Technology helps resist algae growth before it can take hold and spread
- Maintains curb appeal and looks beautiful for years to come

## Contractors Install Accurately

### NailTrak®

Fast, Accurate, Visible

- High-visibility nail lines help for an accurate installation
- Removes the guesswork for steep-slope applications

## Impact Resistance and Warranty

- Certified to meet UL 2218 Class 3 impact resistance
- Product provides superior durability due to its thickness
