| Americas                        | 1.866.519.4752 (US, Canada, Mexico) 1 760 476 3962     |                     |  |  |
|                                 |  |                     |  |  |

# 2. Hazard(s) identification

| Physical hazards                             | Not classified.   |
|--|---|
| Health hazards                               | Not classified.   |
| Environmental hazards                        | Not classified.   |
| OSHA defined hazards                         | Not classified.   |
| Label elements                               |   |
| Hazard symbol                                | None.   |
| Signal word                                  | None.   |
| Hazard statement                             | Not applicable.   |
| Precautionary statement                      |   |
| Prevention                                   | Observe good industrial hygiene practices.  |
| Response                                     | Wash hands after handling.  |
| Storage                                      | Store away from incompatible materials.   |
| Disposal                                     | Dispose of waste and residues in accordance with local authority requirements.  |
| Hazard(s) not otherwise<br>classified (HNOC) | None known.   |
| Supplemental information                     | 40.01% of the mixture consists of component(s) of unknown acute oral toxicity. 70.02% of the mixture consists of component(s) of unknown acute dermal toxicity. |

### 3. Composition/information on ingredients

### Mixtures

The manufacturer lists no ingredients as hazardous to health according to OSHA 29 CFR 1910.1200.

| 4. First-aid measures                                    |  |
|--|--|
| Inhalation   | Move to fresh air. Call a physician if symptoms develop or persist.                      |
| Skin contact   | Wash off with soap and water. Get medical attention if irritation develops and persists. |
| Eye contact  | Rinse with water. Get medical attention if irritation develops and persists.             |
| Ingestion  | Rinse mouth. Get medical attention if symptoms occur.                                    |
| Most important<br>symptoms/effects, acute and<br>delayed | Direct contact with eyes may cause temporary irritation.                                 |

Indication of immediate medical attention and special treatment needed General information Treat symptomatically.

Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.

### 5. Fire-fighting measures

| Suitable extinguishing media                                     | Water fog. Foam. Dry chemical powder. Carbon dioxide (CO2).                                   |
|--|---|
| Unsuitable extinguishing media                                   | Do not use water jet as an extinguisher, as this will spread the fire.                        |
| Specific hazards arising from the chemical                       | During fire, gases hazardous to health may be formed.   |
| Special protective equipment<br>and precautions for firefighters | Self-contained breathing apparatus and full protective clothing must be worn in case of fire. |
| Fire fighting<br>equipment/instructions                          | Use water spray to cool unopened containers.  |
| Specific methods   | Use standard firefighting procedures and consider the hazards of other involved materials.    |
| General fire hazards   | No unusual fire or explosion hazards noted.   |

### 6. Accidental release measures

| Personal precautions,<br>protective equipment and<br>emergency procedures | Keep unnecessary personnel away. For personal protection, see section 8 of the SDS.  |
|---|--|
| Methods and materials for<br>containment and cleaning up                  | This product is miscible in water. Stop the flow of material, if this is without risk. Following product recovery, flush area with water. For waste disposal, see section 13 of the SDS. |
| Environmental precautions   | Avoid discharge into drains, water courses or onto the ground.   |
| 7 Handling and storage  |  |

### 7. Handling and storage

Precautions for safe handling Conditions for safe storage, including any incompatibilities Observe good industrial hygiene practices.

Store in tightly closed container. Keep out of the reach of children. Store away from incompatible materials (see Section 10 of the SDS).

### 8. Exposure controls/personal protection

#### **Occupational exposure limits**

| US. OSHA Table Z-3 (29 CFR 191<br>Additional components | Туре                    | Value                | Form                 |
|---|-------------------------|----------------------|----------------------|
| INERT OR NUISANCE<br>DUSTS                              | TWA 5 mg/m3<br>15 mg/m3 | Respirable fraction. |                      |
|   |                         | Total dust.          |                      |
|   |                         | 50 mppcf             | Total dust.          |
|   |                         | 15 mppcf             | Respirable fraction. |

| Biological limit values   | No biological exposure limits noted for the ingredient(s).  |  |
|---|---|--|
| Appropriate engineering controls                                      | Good general ventilation should be used. Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level. |  |
| Individual protection measures, such as personal protective equipment |   |  |
| Eye/face protection   | Applicable for industrial settings only. Wear safety glasses with side shields (or goggles).  |  |
| Skin protection   |   |  |
| Hand protection   | Applicable for industrial settings only. Wear appropriate chemical resistant gloves.  |  |
| Other   | Applicable for industrial settings only.  |  |
| Respiratory protection  | Applicable for industrial settings only. In case of insufficient ventilation, wear suitable respiratory equipment.  |  |
| Thermal hazards   | Wear appropriate thermal protective clothing, when necessary.   |  |

General hygiene<br/>considerationsAlways observe good personal hygiene measures, such as washing after handling the material<br/>and before eating, drinking, and/or smoking. Routinely wash work clothing and protective<br/>equipment to remove contaminants.

Material name: PF-150

### 9. Physical and chemical properties

| 9. Physical and chemical p                 | properties     |
|--|----------------|
| Appearance                                 |                |
| Physical state                             | Solid.         |
| Form                                       | Solid.         |
| Color                                      | Opaque.        |
| Odor                                       | Not available. |
| Odor threshold                             | Not available. |
| рН   | Not available. |
| Melting point/freezing point               | Not available. |
| Initial boiling point and boiling range    | Not available. |
| Flash point                                | Not available. |
| Evaporation rate                           | Not available. |
| Flammability (solid, gas)                  | Not available. |
| Upper/lower flammability or exp            | losive limits  |
| Flammability limit - lower<br>(%)          | Not available. |
| Flammability limit - upper<br>(%)          | Not available. |
| Explosive limit - lower (%)                | Not available. |
| Explosive limit - upper (%)                | Not available. |
| Vapor pressure                             | Not available. |
| Vapor density                              | Not available. |
| Relative density                           | Not available. |
| Solubility(ies)                            |                |
| Solubility (water)                         | Negligible     |
| Partition coefficient<br>(n-octanol/water) | Not available. |
| Auto-ignition temperature                  | Not available. |
| Decomposition temperature                  | Not available. |
| Viscosity                                  | Not available. |
| Other information                          |                |
| Explosive properties                       | Not explosive. |
| Oxidizing properties                       | Not oxidizing. |
| VOC  | CARB           |
|  |                |

# 10. Stability and reactivity

| Reactivity                            | The product is stable and non-reactive under normal conditions of use, storage and transport. |
|---------------------------------------|---|
| Chemical stability                    | Material is stable under normal conditions.   |
| Possibility of hazardous<br>reactions | No dangerous reaction known under conditions of normal use.                                   |
| Conditions to avoid                   | Contact with incompatible materials.  |
| Incompatible materials                | Strong oxidizing agents.  |
| Hazardous decomposition<br>products   | No hazardous decomposition products are known.  |

# 11. Toxicological information

### Information on likely routes of exposure

| Inhalation   | No adverse effects due to inhalation are expected.       |
|--------------|--|
| Skin contact | No adverse effects due to skin contact are expected.     |
| Eye contact  | Direct contact with eyes may cause temporary irritation. |
| Ingestion    | Expected to be a low ingestion hazard.                   |

Material name: PF-150

| Symptoms related to the<br>physical, chemical and<br>toxicological characteristics | Direct contact with eyes may cause temporary irritation.   |  |  |
|--|--|--|--|
| Information on toxicological effects   |  |  |  |
| Acute toxicity   | Not known.   |  |  |
| Skin corrosion/irritation  | Prolonged skin contact may cause temporary irritation.   |  |  |
| Serious eye damage/eye<br>irritation   | Direct contact with eyes may cause temporary irritation.   |  |  |
| Respiratory or skin sensitization  | า  |  |  |
| <b>Respiratory sensitization</b>   | Based on available data, the classification criteria are not met.  |  |  |
| Skin sensitization   | Based on available data, the classification criteria are not met.  |  |  |
| Germ cell mutagenicity   | No data available to indicate product or any components present at greater than 0.1% are mutagenic or genotoxic.   |  |  |
| Carcinogenicity  | Not classifiable as to carcinogenicity to humans.  |  |  |
| IARC Monographs. Overall   | Evaluation of Carcinogenicity  |  |  |
| Not listed.  |  |  |  |
|  | d Substances (29 CFR 1910.1001-1053)   |  |  |
| Not listed.  | ogram (NTP) Report on Carcinogens  |  |  |
| Not listed.  |  |  |  |
| Reproductive toxicity  | This product is not expected to cause reproductive or developmental effects.   |  |  |
| Specific target organ toxicity -<br>single exposure                                | Based on available data, the classification criteria are not met.  |  |  |
| Specific target organ toxicity - repeated exposure                                 | Based on available data, the classification criteria are not met.  |  |  |
| Aspiration hazard  | Due to partial or complete lack of data the classification is not possible.  |  |  |
| 12. Ecological information   | 1  |  |  |
| Ecotoxicity  | The product is not classified as environmentally hazardous. However, this does not exclude the possibility that large or frequent spills can have a harmful or damaging effect on the environment.               |  |  |
| Persistence and degradability  | No data is available on the degradability of any ingredients in the mixture.   |  |  |
| Bioaccumulative potential  |  |  |  |
| Mobility in soil   | No data available.   |  |  |
| Other adverse effects  | No other adverse environmental effects (e.g. ozone depletion, photochemical ozone creation potential, endocrine disruption, global warming potential) are expected from this component.                          |  |  |
| 13. Disposal consideration   | ns   |  |  |
| Disposal instructions  | Collect and reclaim or dispose in sealed containers at licensed waste disposal site.   |  |  |
| Local disposal regulations   | Dispose in accordance with all applicable regulations.   |  |  |
| Hazardous waste code   | The waste code should be assigned in discussion between the user, the producer and the waste disposal company.   |  |  |
| Waste from residues / unused<br>products   | Dispose of in accordance with local regulations. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe manner (see: Disposal instructions). |  |  |
| Contaminated packaging   | Since emptied containers may retain product residue, follow label warnings even after container is   |  |  |

**Contaminated packaging** Since emptied containers may retain product residue, follow label warnings even after container is emptied. Empty containers should be taken to an approved waste handling site for recycling or disposal.

### 14. Transport information

#### DOT

Not regulated as dangerous goods.

### ΙΑΤΑ

Not regulated as dangerous goods.

### IMDG

Not regulated as dangerous goods.

Transport in bulk according to Not applicable. Annex II of MARPOL 73/78 and the IBC Code

#### 15. Regulatory information

**US** federal regulations

This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

#### **Toxic Substances Control Act (TSCA)**

TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)

Not regulated.

#### CERCLA Hazardous Substance List (40 CFR 302.4)

Not listed.

SARA 304 Emergency release notification

#### Not regulated.

#### OSHA Specifically Regulated Substances (29 CFR 1910.1001-1053)

Not listed.

#### Superfund Amendments and Reauthorization Act of 1986 (SARA)

SARA 302 Extremely hazardous substance

Not listed.

SARA 311/312 Hazardous No (Exempt) chemical

SARA 313 (TRI reporting) Not regulated.

# Other federal regulations

#### Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List

Not regulated.

#### Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)

Not regulated.

Safe Drinking Water Act Not regulated. (SDWA)

### US state regulations

#### **California Proposition 65**

California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins. For more information go to www.P65Warnings.ca.gov.

#### **International Inventories**

| Country(s) or region        | Inventory name On inventory   | (yes/no)* |
|-----------------------------|---|-----------|
| Australia                   | Australian Inventory of Chemical Substances (AICS)                        | No        |
| Canada                      | Domestic Substances List (DSL)  | No        |
| Canada                      | Non-Domestic Substances List (NDSL)                                       | No        |
| China                       | Inventory of Existing Chemical Substances in China (IECSC)                | No        |
| Europe                      | European Inventory of Existing Commercial Chemical<br>Substances (EINECS) | No        |
| Europe                      | European List of Notified Chemical Substances (ELINCS)                    | No        |
| Japan                       | Inventory of Existing and New Chemical Substances (ENCS)                  | No        |
| Korea                       | Existing Chemicals List (ECL)   | No        |
| New Zealand                 | New Zealand Inventory   | No        |
| Philippines                 | Philippine Inventory of Chemicals and Chemical Substances<br>(PICCS)      | No        |
| Taiwan                      | Taiwan Chemical Substance Inventory (TCSI)                                | No        |
| United States & Puerto Rico | Toxic Substances Control Act (TSCA) Inventory                             | No        |

\*A "Yes" indicates that all components of this product comply with the inventory requirements administered by the governing country(s) A "No" indicates that one or more components of the product are not listed or exempt from listing on the inventory administered by the governing country(s).
