

3/4" Bullnose 2-Way Inside Corner Cap Corner and Transition Caps

3/4" Bullnose 2-way 3/4" Inside Corner Caps provide the ideal component to transition bullnose corner beads to a crisp finish where inside corners intersect at 90°. Examples of applications include windows, closets, doorways, skylights, etc. Easy to install, this component provides a cost-effective alternative to time-consuming mitering of corners.
