

# A4H Sure-Snap Hex Head Tie

## DESCRIPTION

Dayton Superior A4H Hex Head Snap Ties are manufactured with hot forged integral 1/2" hex shaped heads.

## FEATURES & BENEFITS

- Safe Working Load (SWL) 2,250 lbs
- SWL provides a factor of safety of approximately 2 to 1
- Hex head measures 1/2" across flats
- Standard A4H uses 1" x 1" A2 Plastic Cones to provide a nominal 1" breakback
- Other size cones are available on special order

## PRODUCT DATA

- 2,250 lbs. Safe Working Load
