

TERRANEO®

A STRIKING, GLITTERY
STONE FINISH

BUILD THE TREND

TerraNeo® | Embedded quartz and mica flecks produce a striking glittery finish

200 Gibraltar

Tibur Stone is a premixed 100% acrylic-based architectural finish offered in 12 standard colors. It is designed to provide an extremely smooth surface with the look of travertine stone. Tibur Stone includes DPR (Dirt Pick-up Resistant) chemistry to stay cleaner, longer.

Features & Benefits:

- Extremely smooth appearance of travertine stone
- Trowel-applied for exterior or interior application
- Light weight reduces structural demands for façade
- DPR (Dirt Pick-up Resistant) chemistry stays cleaner
- 12 standard colors for shorter lead times
- 100% acrylic for crack-resistance and longer life
- Vapor-permeable: will not trap moisture vapor
