### PC-AGG

Standard Gray

Charcoal

Nautilus

Crimson

Khaki

Barley

White #3

All colors shown on this chart are represented as closely as possible. Upon installation, variations can be expected due to differences in cement, aggregates, method of application and light sources. This printed color chart is for reference purposes. Euclid Chemical recommends choosing colors from actual test samples. A full scale mock-up with the specific polishing contractor and polishing equipment is always recommended for best results. Minimum order quantity may apply.
