

# 20-Year Copper Warranty

## Firestone<sup>®</sup> Metal Products/UNA-CLAD<sup>®</sup>

This warranty is issued by Firestone<sup>®</sup> Metal Products/ Una-Clad<sup>®</sup> for a period of 20 years from commencement date (Warranty Period) and expressly warrants the integrity of the copper purchased and identified below (Copper). All terms and conditions of this warranty noted below are a part of this warranty (Warranty):

To:

Project Name:  
Building Address:  
City, State, Zip:

Product and Gauge:  
FSMP Invoice #:

Firestone Metal Products/ Una-Clad warrants the Copper during the Warranty Period as follows:

- A. The Copper shall be free from defects of the nature that interfere with normal commercial applications.
- B. The Copper shall meet or exceed standards of ASTM-B370-05 designation.
- C. The Copper shall have a copper content of 99.5% (silver counting as copper).

This Warranty shall apply only to the Copper, which has been exposed to normal atmospheric conditions, and shall not apply where any failure of the Copper is the result of, and not limited to, fire, vandalism, radiation, harmful fumes, acid rain, foreign substances in the atmosphere including corrosive or aggressive atmospheres, such as those contaminated with chemical fumes of salt spray, mishandling, falling objects, acts of God; including hurricanes, tornadoes, floods, damage from wind, storm, etc., deliberated damage, riots, civil commotion, acts of war, improper handling or installation by erectors, mechanical damage or any other physical damage. In addition, this Warranty shall not apply to any failure due to improper handling, storage, fabrication, shipping, processing and installation by the Building Owner, or unusual or uneven aging of the material.

This Warranty shall only extend to the original purchaser and/or original end Building Owner of the Copper. Should the Building Owner become insolvent, bankrupt, make an assignment for the benefit of its creditors, sell or assign to any third party, or for any reason discontinue its normal or regular business practices, this Warranty shall forthwith become null and void and of no legal effect.

If the Copper fails to perform in accordance with the standards noted above, Firestone Metal Products/ Una-Clad's liability under this Warranty will be limited to replacing that portion of the material having the defect. At no time shall Firestone Metal Products/ Una-Clad include installation labor or replacement labor, of the defective material. Only the defective material is replaced. Replacement of the Copper is also subject to a price range not to exceed 5% of the original cost of material.

All claims made under this warranty must be made to Firestone Metal Products/ Una-Clad, in writing within thirty (30) days after Building Owner discovers the subject defect, or should have reasonably discovered the defect and Firestone Metal Products/ Una-Clad must be given a reasonable opportunity to inspect any of the Copper claimed to be defective. Each claim shall include the order number, date of shipment and date of installation of the allegedly defective material.

This Warranty issuance date serves as an identification date of the Warranty for purposes of files and records and is not the commencement date of the Warranty. The Warranty commencement date is defined as the Ship Date.
