

30-Year Limited Warranty

Siliconized Polyester

Issued To:
(Building Owner)

Warranty No.:

Film Integrity

Film Integrity is warranted for a period of 30 years. Una-Clad **10s siliconized polyester** will not crack, flake, chip or peel (not to be construed to include slight hairline cracking which occurs during fabrication) for a period of 30 years. Distance from salt water environment must exceed 2000 meters for warranty to apply.

Chalk Rating

Will not chalk in excess of number 8 rating during years 1 through 20 on vertical installations; and will not chalk in excess of number 6 rating during years 1-20 on non-vertical installations. This is determined by the procedure outlined in ASTM D-4214-89 (Method D659) test.

Fade Rating

Will not fade in excess of 5 Hunter Units during years 1 through 20 on vertical installations; and will not fade in excess 7 Hunter Units during years 1 through 20 on non-vertical installations. This is determined by the procedure outline in ASTM D 2244-85 and ASTM D-3964-80 (1985) after removal of surface soils and chalk. Differences in color change due to differing exposure are excluded from this warranty.

LIMITATIONS ON WARRANTY

1. This Warranty is extended to the original Building Owner only and is not transferable or assignable.
2. Abnormal atmospheric conditions to which this Warranty does not apply include but are not limited to hail, exposure to corrosive or harmful chemicals (whether solids, liquids or gasses), airborne contaminants, or other abnormal conditions. The Warranty does not cover damage caused by acts of God, falling objects, external forces, explosions, fire, riots, civil commotion, act of war, excessive radiation or other such similar or dissimilar occurrences beyond our control.
3. This Warranty does not cover damages to the product's finish caused by handling, shipping, transit, processing, storage, installation or failure of substrate.
4. Firestone shall have no obligation under this limited warranty unless and until Firestone and the licensed applicator have been paid in full for all materials, supplies, services, warranty costs and other costs which are included in, or incidental to the system.

BUILDING OWNER'S OBLIGATION

1. The Building Owner shall inspect material received from Firestone Metal Products prior to installation so as to mitigate expenses involved in repairing, replacing or repainting defective sheets. The Building Owner accepts responsibility upon receipt of the material in the conditions described in paragraph 3 of Limitations on Warranty.
2. Any claim on account of a defect in the products or for any other cause whatsoever shall be deemed waived by Building Owner unless written notice thereof is given to Seller within Thirty (30) days after discovery of the defect and within the applicable warranty period. Building Owner must submit proof of purchase in the event of such claim. Seller shall be given reasonable opportunity to investigate all claims.

EXCLUSIVE REMEDY

If any of our products fail to perform as warranted, the company will, at its option, repaint or replace the defective panels or refund the Building Owner the price paid for the material. The company's total liability is expressly limited to the purchase price of the defective material. Except as provided herein the company shall not be liable for any losses, damage or expense, whether direct, incidental or consequential caused by or resulting from the use of defective or nonconforming products.

THE EXPRESS WARRANTIES AND REMEDIES STATED HEREIN ARE THE EXCLUSIVE WARRANTIES AND REMEDIES APPLICABLE TO THE PRODUCTS. ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY EXCLUDED.
