

## Vented Molding Information

### PRODUCT DETAIL : Full Scale

### USAGE

Moldings requiring venting are provided with vents for air movement. In size charts they are identified with a "V" in the center of the product number.

### GUIDE SPECIFICATION

All vent slots are 1/8" wide by 1" long, spaced 1 1/2" on center lengthwise. Multiple rows are spaced laterally 1/2" on center. Each row of vent slots lengthwise provides approximately 1 square inch of vented area per lineal foot.

### VENTILATION INFORMATION

REVEAL WIDTH	VENT SLOT	VENT AREA PER LINEAL FOOT APPROX.	PERCENT OF AREA VENTED APPROX.
1/2"	1	1 SQ. INCH	15.0%
3/4"	1	1 SQ. INCH	12.5%
7/8"	1	1 SQ. INCH	9.5%
1"	1	1 SQ. INCH	9.4%
