

Beyond beauty. Beyond your expectations.

For homeowners seeking a combination of beauty and benefits that go beyond any other GAF shingle

Featuring our patent-pending Dual Shadow Line for dramatic sunset shadows all day long, and the NEW 30-year StainGuard Plus PRO™ limited warranty against blue-green algae discoloration,* Timberline® UHDZ™ Shingles go beyond.

*See reverse for details

Timberline® UHDZ™ Shingles

Benefits:

- Patent-pending **Dual Shadow Line** for dramatic sunset shadows all day long.
- **30-year StainGuard Plus PRO™ Algae Protection Limited Warranty¹** against blue-green algae discoloration with 10% MORE Time-Release Algae-Fighting Technology.
- **LayerLock® Technology** mechanically fuses the common bond between overlapping shingle layers. The added strength at the common bond powers the **StrikeZone®** — the industry's widest nailing area.
- **Up to 99.9% nailing accuracy** — The StrikeZone® nailing area is so easy to hit that a roofer placed 999 out of 1,000 nails correctly in our test.³
- **Up to 30% faster nail fastening** thanks to the industry's largest nail zone.³
- **Dura Grip™** sealant pairs with the smooth microgranule surface of the StrikeZone® nailing area for fast tack. Then, an asphalt-to asphalt monolithic bond cures for durability, strength, and exceptional wind uplift performance.
- **WindProven™ Limited Wind Warranty²** — When installed with the required combination of GAF Accessories, Timberline® UHDZ™ Shingles are eligible for an industry first: a wind warranty with no maximum wind speed limitation.

Dual Shadow Line technology precisely distributes color granules to create two parallel shadow lines, which gives the Timberline® UHDZ™ shingle a thick, ultra-dimensional wood-shake look.

LayerLock® Technology – Proprietary technology mechanically fuses the common bond between overlapping shingle layers.

¹ 30-year StainGuard Plus PRO™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus PRO™ logo. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions, and qualifying products.

² 15-year WindProven™ limited wind warranty on GAF Shingles with LayerLock® Technology requires the use of GAF Starter Strips, Roof Deck Protection, Ridge Cap Shingles, and Leak Barrier or Attic Ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the WindProven limited wind warranty, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

³ Results based on study conducted by Home Innovation Research Labs, an independent research lab, comparing installation of Timberline HD® Shingles to Timberline HDZ® Shingles on a 16-square roof deck using standard 4-nail nailing pattern under controlled laboratory conditions. Actual results may vary.

We protect what matters most™
