FIBER-CEMENT SIDING

LIMITED WARRANTY

LIMITED WARRANTY

GAF Materials Corporation (GAFMC) warrants to you, the original owner of its WeatherSide™ fiber cement siding, that it will compensate you as described below if your WeatherSide™ siding does not remain free from manufacturing defects that adversely affect its performance for 25 years. **THIS WARRANTY IS NOT TRANSFERABLE.** The warranty period starts at the completion of your WeatherSide™ installation and terminates if the building is sold or transferred.

SOLE AND EXCLUSIVE REMEDY

For any portion of your WeatherSide™ siding that does not perform as warranted, GAFMC will contribute to the cost of either repairing or replacing your WeatherSide™ siding, at its sole option and as its only obligation to you, as follows:

- (1) During the First Year. If your WeatherSide™ siding has been applied for less than one year, GAFMC will pay you the full reasonable cost to repair or replace any defective siding, including labor to re-install it (but not including metal work, flashing or other related work), and will provide replacement siding.
- (2) For the next Twenty-four Years. During the remaining 24 years, GAFMC's contribution to you will be based on providing replacement WeatherSide™ siding, adjusted to reflect the amount of use you have received from your siding, which will be calculated by dividing the number of months which have elapsed since installation by the number of months in the warranty period.

LIMITATIONS ON COVERAGE

GAF Materials Corporation will **NOT** be liable for and this Warranty does not apply to:

- (1) Damages to your siding resulting from any thing other than an inherent manufacturing defect in your WeatherSide™ siding, including, but not limited to:
 - (a) improper fastening of your siding, faulty application or application not in accordance with GAFMC's printed application instructions;
 - (b) settlement or movement of the building, walls, foundation; or
 - (c) defects in, or failure or misapplication of, material used as a base over which the siding was applied.
- (2) Damage to your WeatherSide™ siding resulting from causes beyond normal wear and tear including, but not limited to:
 - (a) acts of God, such as hailstorms, winds over 46 mph or other unusually strong storms or earthquakes;

- (b) impact of foreign objects on the siding; or
- (c) improper storage or handling of siding.
- (3) CONSEQUENTIAL OR SPECIAL DAMAGES of any kind whatsoever, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING OR TO ANY PROPERTY CONTAINED IN OR NEAR IT.
