# It's where art meets engineering

GAF Designer Collection Shingles are more than a pretty roof. They're engineered with Advanced Protection® Technology, GAF Time-Release Algae-Fighting Technology, and proprietary Dura Grip™ Adhesive for durability.

If you live in the Sunbelt, storm-prone mountain foothills, or a moist region plagued by blue-green algae, there's a Designer Shingle with features designed to help protect your home. From our Reflector Series™ Shingle colors that reflect the sun's UV rays, to ArmorShield® II Shingles that pass the UL 2218 Class 4 Impact-Resistance Test, to the 25-Year StainGuard Plus™ Algae Protection Limited Warranty against unsightly blue-green algae discoloration<sup>1</sup> that's now included with many of our GAF Designer Shingles, we have a beautiful roof engineered for you.

<sup>1</sup> StainGuard Plus™ Time-Release Technology is available only on Shingles sold in packages bearing the StainGuard Plus™ logo. Products with StainGuard Plus™ Time-Release Technology are covered by a 25-year limited warranty against blue-green algae discoloration. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions, and qualifying products.

# It's a system, built to protect

A roof is so much more than shingles. It's layers of protection, working together to keep your home safe from wind, rain, snow, and even sun.

# It's the contours of history

When GAF commissioned artisans to handcraft the contours of our Designer Collection Shingles, we invited them to draw inspiration from classic European architecture, rustic American traditions, and even the organic shapes and colors found in nature itself.

As a result, our Designer Collection comprises the classic clean lines and deep structural shadows of European manors, the hand-hewn pioneer feel of the American West, and even the dramatic asymmetry of the primeval forest. It's a creative palette of roof shapes and colors unlike any other — designed to help you add the perfect finishing touch to your dream home.

Now we invite you to find your inspiration. Explore the GAF Designer Collection Shingle styles and colors that suit your home and lifestyle at [gaf.com/VHR](https://gaf.com/VHR)
