Dear Customer:

We have received your request for a Material Safety Data Sheet (MSDS) for the W. R. Grace Hydroduct products.

For your information and records, please note that this product fits the OSHA definition of an "article" (a manufactured item that does not release, or otherwise result in exposure to a hazardous chemical under normal conditions of use) and is not defined as hazardous. Therefore, according to OSHA 29 CFR 1910.1200 we are not required to develop and issue an MSDS.

However, if you have any questions on the health and safety of this product, please contact our Environmental, Health and Safety Department at (617) 876-1400.
