OIL STAIN REMOVER

**USE TO REMOVE DEEP SET STAINS FROM
COOKING OIL, BUTTER, GREASE, AND OILY FOODS.**

- MARBLE • GRANITE • LIMESTONE • TRAVERTINE • FLAGSTONE • SLATE
- CONCRETE • MASONRY • PAVERS • BRICK
- ALL NATURAL STONE

USES

On all natural stone like marble, granite, limestone, travertine, flagstone and slate, and on man-made surfaces like concrete, pavers and brick.

APPLICATION: Upon opening the container, if some liquid has separated, mix well before use.

1. APPLY 1/8" - 1/4" of **Glaze 'N Seal Oil Stain Remover** and spread in a uniform coat over stain to encompass an area at least an inch larger than the actual stain.
2. Cover with a plastic wrap or foil. Remove the cover after 2 hours.
3. Allow mixture to completely air dry until it is powdery and the solvent has totally evaporated.
4. Remove the powder and clean the stone surface.
5. Inspect for any remaining stain and repeat if necessary.

ALWAYS TEST when using to insure suitable application and satisfactory results.

COVERAGE: Up to two square feet per container.

WARRANTY: Glaze 'N Seal Products' liability, either expressed or implied, is limited solely to the replacement of this product when proven to be defective, and does not include any labor costs or consequential damages. It is the user's responsibility to determine the safety, toxicity, and suitability of this product.

PRODUCT DESCRIPTION

Glaze 'N Seal Oil Stain Remover is a solvent-based poultice designed to remove difficult, deep stains when general purpose cleaners can't. Ideal for stains caused by cooking oil, butter, grease and oily foods on countertops, floors, patios, driveways and more.

It is non-acidic and will not etch or discolor marble, granite, limestone, concrete or masonry.

PRODUCT FEATURES

- Removes deep set oil and grease stains
- Creamy paste form for easy application
- Environmentally responsible formulation.
- No harmful fumes or noxious odors
- Appropriate for interior or exterior use
- Will not harm adhesives or grouting materials
