

Sustainability

Potential LEED® 2009 Rating Points for Commercial Construction

These rating program point references are suggested applications of Georgia-Pacific Gypsum products. Program applicants should use their own objective determinations of product attributes for the USGBC LEED rating program:

LEED for New Construction and Major Renovations

Recycled Content: MR 4

Regional Materials: MR 5

Construction IAQ Management Plan: During Construction: IEQ Credit 3.1

LEED for Schools: New Construction and Major Renovations

Recycled Content: MR Credit 4

Regional Materials: MR Credit 5

Construction IAQ Management Plan: During Construction: IEQ Credit 3.1

Low Emitting Materials: Ceiling and Wall Systems: IEQ Credit 4.6

Mold Prevention: IEQ Credit 10

LEED for Core & Shell Development

Recycled Content: MR 4

Regional Materials: MR 5

Construction IAQ Management Plan: During Construction: IEQ Credit 3

Potential LEED Rating points for Home Building

These rating program point references are suggested applications of Georgia-Pacific Gypsum products. Program applicants should use their own objective determinations of product attributes for the LEED rating program.

LEED for Homes

INNOVATION AND DESIGN PROCESS

2) Quality Management for Durability

2.1 Durability Planning

Moisture Control Measures (Table 1)

Tubs, showers and spa areas: Use non-paper-faced backer board on walls

- DensShield® Tile Backer

SUSTAINABLE SITES (SS)

SS 5. Non Toxic Pest Control

5) Pest control alternatives

e) The following measures apply to areas marked “moderate to very heavy” termite risk areas

v) Use non-cellulosic wall structure

- DensArmor Plus® Interior Drywall
- DensShield® Tile Backer
- DensGlass® Sheathing

MATERIAL AND RESOURCES (MR)

MR 2 Environmentally Preferable Materials

c) Local Production

- Georgia-Pacific Gypsum Products

LEED REGREEN Residential Remodeling Program

KITCHEN, BATHROOM, FINISHED BASEMENT, WALL AND CEILING

- Install environmentally preferable interior sheathing MR 126
- Use non paper faced gypsum board in moist areas IEQ 183

The Dens Family of Products

DensGlass® Sheathing

DensDeck® Roof Boards

DensArmor Plus® High-Performance Interior Panels

DensArmor Plus® Abuse-Resistant Interior Panels

DensArmor Plus® Impact-Resistant Interior Panels

DensGlass® Shaftliner

DensShield® Tile Backer
