### Waste Disposal Methods

Per our MSDS for screws, Section VII, excess screws are recyclable and disposable in accordance with local, state or environmental ordinances.

Grabber Screw packaging cartons are made of 80% recycled paper and 20% new paper products.

Plastic Buckets are re-useable and recyclable

### Local /Regional Materials

Unless specified as "American Made", or "USA" Grabber Screws are not produced locally or regionally.

Sincerely yours,

Douglas Holmberg
