| Drill Point Length: 3/16 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side, with its head on the left and its pointed tip on the right. Three dimension lines with arrows indicate the following measurements: the total length of the screw is 1 1/4 in.; the length of the threaded portion is 1 1/16 in.; and the length of the unthreaded drill point at the tip is 3/16 in.

| Drill Point Length: 3/16 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side, with its head on the left and its point on the right. Three dimension lines are used to specify the lengths: a horizontal line above the screw indicates a total length of 2 in.; a horizontal line below the screw indicates a thread length of 1 13/16 in.; and a vertical line on the right indicates a drill point length of 3/16 in.

| Item No.                     | Drill Point |
|------------------------------|-------------|
| 14250H3                      | #3          |
| 12250H3                      | #3          |
| H12250H3                     | #3          |
| Screw Length: 2 1/2 in.      |             |
| Thread Length: 2 3/16 in.    |             |
| Drill Point Length: 5/16 in. |             |

The image shows a side view of a screw. Dimension lines indicate the following measurements: the total length of the screw is 2 1/2 in.; the length of the threaded portion is 2 3/16 in.; and the length of the unthreaded drill point at the end is 5/16 in. The screw has a hexagonal head on the left and a sharp point on the right.

| Screw Length: 2 in.         |             |
| Thread Length: 1/2 in.      |             |
| Drill Point Length: 1/4 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side. The total length is indicated by a dimension line at the top, labeled '2 in.'. The thread length is indicated by a dimension line on the right, labeled '1/2 in.'. The drill point length is indicated by a dimension line on the right, labeled '1/4 in.'. The screw has a hexagonal head on the left and a sharp drill point on the right.
