| Item No.                    | Drill Point |
|-----------------------------|-------------|
| 10075H35                    | #3.5        |
| Screw Length: 3/4 in.       |             |
| Thread Length: 3/8 in.      |             |
| Drill Point Length: 3/8 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side, with its head on the left and its pointed tip on the right. Three dimension lines with arrows indicate the following measurements: the total length of the screw is 3/4 in., the length of the threaded portion is 3/8 in., and the length of the unthreaded drill point is 3/8 in.

| Drill Point Length: 5/16 in. |             |

A technical drawing of a screw, showing its profile and dimensions. The screw has a hexagonal head on the left and a sharp drill point on the right. Three dimension lines with arrows indicate the following measurements: the total length of the screw is 1 1/2 in., the length of the threaded portion is 1 3/16 in., and the length of the drill point is 5/16 in.

| Drill Point Length: 3/16 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side, with its head on the left and its point on the right. Three dimension lines are shown: a top line indicating the total length of the screw is 2 in., a middle line indicating the length of the threaded portion is 1 13/16 in., and a bottom line indicating the length of the drill point is 3/16 in. The screw has a hexagonal head and a sharp point.

| Thread Length: 2 3/16 in.    |             |
| Drill Point Length: 5/16 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side, with its head on the left and its point on the right. Three dimension lines are shown above the screw: the top line indicates the total length as 2 1/2 in., the middle line indicates the thread length as 2 3/16 in., and the bottom line indicates the drill point length as 5/16 in. The screw has a hexagonal head and a threaded shaft.

| JS1                         | #3          |
| Screw Length: 2 in.         |             |
| Thread Length: 1/2 in.      |             |
| Drill Point Length: 1/4 in. |             |

A technical drawing of a screw. The drawing shows the screw from the side. The total length of the screw is indicated by a dimension line at the top, labeled '2 in.'. The thread length is indicated by a dimension line on the right, labeled '1/2 in.'. The drill point length is indicated by a dimension line on the right, labeled '1/4 in.'. The screw has a hexagonal head on the left and a sharp drill point on the right.

#### Heavy-Gauge Steel: PS1049

| Item No.                     | Drill Point |
|------------------------------|-------------|
| 17SD410                      | #3          |
| Screw Length: 1 5/8 in.      |             |
| Thread Length: 15/16 in.     |             |
| Drill Point Length: 3/16 in. |             |

A technical drawing of a screw, labeled 17SD410, showing its dimensions. The screw has a cylindrical head on the left and a threaded shaft. Three dimension lines with arrows indicate the following measurements: the total length of the screw is 1 5/8 in.; the length of the threaded portion is 15/16 in.; and the length of the drill point at the end of the shaft is 3/16 in.
