

Hamilton Wallboard Joint Tape

Hamilton Wallboard Joint Tape is perforated to reduce blistering, center creased to ease application and buffed for superior adhesion.

MADE IN THE USA

Premium Wallboard Tape **(Red Label)**

2-1/16" x 500' — 10 Rolls Per Case

Premium Wallboard Tape is designed to meet ASTM Standard C-475 when applied in accordance with ASTM C-474. Made from heavier paper than standard wallboard tapes to decrease stretching, wrinkling and cracking problems. Red label is perforated to reduce blistering, center creased to ease application and buffed for superior adhesion.

Wallboard Tape **(Blue Label)**

2-1/16" x 75' — 20 Rolls Per Case

2-1/16" x 250' — 20 Rolls Per Case

2-1/16" x 500' — 10 Rolls Per Case

Hamilton Wallboard Joint Tape features perforation to reduce blistering, center creased for easier angle application and is buffed to promote increased adhesion.
