

LEED Product Information

Hohmann & Barnard sources the following Sealants, Adhesives and Coatings that are eligible for **one-point EQ credit** under: 4.1 Low Emitting Materials, Adhesives & Sealants and 4.2 Low Emitting Materials, Paints & Coatings.

Contribution towards **additional LEED Credits** may be available under LEED Credit MR-5.1: Regional Materials: 20% Manufactured Regionally, which requires that a minimum of 20% of building materials and products are manufactured regionally within a 500-mile radius. These products are manufactured in Fort Wayne Indiana, 46819.

No single extracted material is used to produce the majority of these products.

Recycled content is not available, and for the purposes of LEED reporting should be assumed to be zero.

These products have a VOC lower than the limits set by SCAQMD rule 1168 and meet/exceeds the requirement.

Product Name	ASTM D 2369 VOC Content	CARB < 4% VOC	SCAQMD <250 g/L
HB Sealant	17 g/L	Exceeds Requirement	Exceeds Requirement
HB Liquid Flash	23 g/L	Exceeds Requirement	Exceeds Requirement

Please contact your Hohmann & Barnard representative if you have any questions regarding this information.
