CLASS A FIRE
RESISTANCE RATING

Inspired by the look of slate, IKO Royal Estate Designer shingles offer the irregularly-cut contours and extra-deep shadow bands that homeowners love — without the added cost. Plus, these premium shingles come in several color blends and a Class 3 impact resistance rating⁶.

The IKO Difference

With a legacy of craftsmanship that spans over 75 years, we know quality. That's why contractors and their customers trust IKO to deliver beautiful, high-performing roofing systems that can withstand rigorous conditions — and continue protecting families for generations to come.

The perfect blend of beauty and quality.

Your customers should never have to compromise performance for beauty. That's why we designed Royal Estate shingles with unique, bold looks that still stand up to inclement weather. Royal Estate shingles give homeowners peace of mind with:

- **Class 3** impact resistance rating⁶.
- **FastLock®** sealant, activated by the warmth of the sun to help protect against wind uplift.
- **Irregularly-cut** contours with extra-deep shadow bands for impressive contrast.
- Durable **fiberglass mat** core.
- Thick **weathering asphalt coating** for strength, durability, and flexibility.
- **Blue-green algae-resistant** color blends that resemble natural slate.

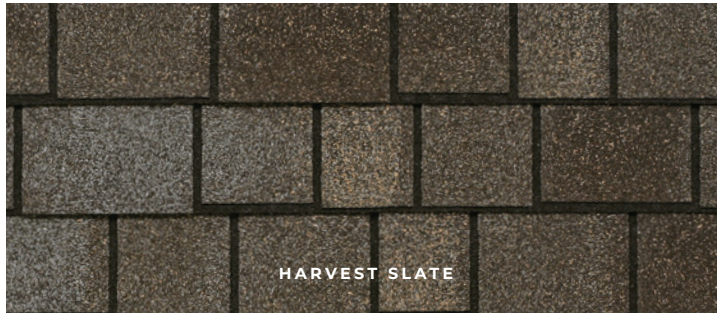

ROYAL ESTATE™

Designer Shingles

SPECIFICATIONS ⁴	Limited Warranty ¹	Limited Lifetime ³	Dimensions (L x W)	40 in (1016 mm) x 13 1/4 in (337 mm)	STANDARDS ⁵	ASTM D3462
	Iron Clad Protection ¹	15 Years	Exposure	5 5/8 in (143 mm)		ASTM D3018
	Limited Wind Warranty ¹	110 mph (177 km/h)				ASTM D7158 — Class H
	Limited High Wind Warranty Upgrade ^{1,2}	130 mph (210 km/h)	Coverage per Bundle	33 1/3 ft ² (3.1 m ²)		ASTM D3161 — Class F
	Limited Algae Resistance Warranty ¹	10 years (blue-green)	Shingles per Square	64		ASTM E108/UL 790 — Class A
						FM 4473 — Class 3 ⁶

Note: Product and color availability may vary by region. ¹Refer to the Limited Warranty at IKO.com for full terms, conditions, restrictions and application requirements. Shingles must be installed per application instructions and local building codes. ²High-wind application is required. ³"Lifetime" refers to the period from installation until the original Owner no longer owns the building. ⁴All values are approximate. ⁵Products are developed with reference to these standards. ⁶Impact rating is solely for potential insurance premium reductions and is not a performance guarantee, implied or express warranty of any kind. Hail damage is not covered under the Limited Warranty. IKO recommends Class 4 or 3 impact resistance rated Hip and Ridge capping shingles be installed with corresponding impact rated shingles (refer to FM Approvals for more details on the FM 4473 impact resistance testing standard).

IMPORTANT! For complete satisfaction, view full-size shingles and an actual roof installation before selecting a color. Online swatches, brochures, and our **ROOFViewer®** tool may not accurately reflect the shingle color or full color blend range, nor show the impact of sunlight.
