

Elastomeric Liquid Rubber (SEBS)		
Products	Features	s & Benefits
RC-2000: Premium Rubber Roof Coating	✓ One component product	✓ Dry to the touch in 2-4 hours
RC-2012: Single-Ply Base Coat	✓ Excellent protection against	✓ Withstands expansion &
RC-2013: Base Coat	oxidation, humidity and	contraction
RC-2014: Top Coat	corrosive environments.	✓ Seals & waterproofs
RC-2016: Rubber Roof Coat	✓ Strong and flexible	✓ Extended application season
RC-2018: Single-Ply Top Coat	✓ Resists cracking & peeling	throughout colder months
RC-2200: Rubber Seam Compound		✓ Air cured
RC-2250: Premium Seam Compound		
RS-2030: Roofing Sealer		
DF-1050: Rubber Deck Filler		

Metal Acrylic Coatings		
Products	Fe	eatures & Benefits
RC-1600: Base & Top Coat	✓ Extended life	✓ Excellent for metal roofs
RC-1650: Seam Compound		
RC-1675: Rust Primer		

Silicone Roof Coatings		
Products	Feature	s & Benefits
RC-1800: Roof Coating	✓ High-Solid Silicone	✓ Durable
RC-1850: Seam Compound	✓ Lasting strength & flexibility	✓ Superior adhesion
RC-1875: Bleed Block	✓ Excellent flow & leveling	✓ Re-coatable
	✓ One-coat application	

Aluminum Coatings		
Products	Features	s & Benefits
RC-2070: Rubberized Coating	✓ Can be used on a variety of	✓ Durable & lightweight
RC-2075: Fibered Asphaltic Coating	substrates	

SafePath Advantage		
Products	Feature	s & Benefits
RC-2050 Safety Yellow	✓ Exceptional visibility	✓ Excellent wear resistance
RC-2050 Caution Red	✓ Single component product ✓ Formulated with corrosion inhibitors	✓ Adhesion promoters & primer built in

Skylight		
Products	Feature	es & Benefits
CR-2100: Rubber Skylight Coating	✓ One component product✓ Excellent adhesion	✓ Clear rubber coating✓ Thermally stable

Waterproofing & Sealants	
Products	Features & Benefits
CR-2150: Waterproof Sealer 5% Silicone	✓ Excellent adhesion & flexibility ✓ No primer required
CR-2200: Tru-Lastic Sealant Caulk	✓ Use as a water proofer
