We, the above named Approved Inland Contractor, do hereby certify that the above described Inland Metal System has been installed in complete compliance with Inland Coatings Corporation's current specification # \_\_\_\_\_.

We agree for a period of Two (2) years from the Warranty Effective Date to:

- 1) Investigate all reported leaks and make repairs at our own expense if the leaks are due to any deviation from specifications during the Inland System Installation.
- 2) Request authority from Inland to make repairs at Inland's expense if the leaks are due to faulty Inland materials.

We further agree that, should we not effect repairs under this agreement within thirty (30) days of written notice, Inland may have these repairs made by others and we will repay the entire cost to Inland. It is understood that these obligations are considered our responsibility for our workmanship.
