RE: Pennsylvania DOT Approval of A7+, C6+, and G5+ Adhesive

To Whom It May Concern,

As of the date of this letter, Red Head A7+, C6+, and G5+ adhesives are approved for use by the Pennsylvania Department of Transportation.

The above products can be found listed on the most up-to-date Approved / Qualified Product List for Concrete Anchoring Systems:

**BULLETIN 15 (Publication 35)
Qualified Products List for Construction**

Posted:

Section 516: Concrete Pavement Patching

516.2(k) Anchor Material

Last Revised: 2/7/2019

See [Standard Drawing RC-26M \(Publication 72M\)](#)

Note: Adhesive anchors are not to be used for permanent installations which have the anchor in tension due to external loading regardless of whether the anchor is in a horizontal or vertical position. External loading can be from moment, moment and shear or direct tension to cause tension in the anchor. Tension due to a torqued bolt is not an external load.
