NO. 1 CHOICE OF PROFESSIONALS

Tapcon is the No. 1 recognized screw anchor brand in the industry. The blue, corrosion-resistant coating enables the screw anchors to withstand the harshest conditions. And their unmatched performance in concrete, block and brick applications make them an excellent alternative to expansion anchors, plugs and lag shields. When professionals look for quality, strength and ease of installation, their No. 1 choice is Tapcon.

COMMON APPLICATIONS

- Electrical equipment
- Furring strips
- 2x4 lumber
- Drywall track
- Wood frames/sill plates
- HVAC/ductwork
- Concrete forms

Features	Benefits
Star recess	• Increase productivity with fewer cam outs
Underhead ribs	• Resist spinouts • Resist head snaps
Advanced Threadform Technology	• Lower installation torque • Less fatigue
Long-life Climaseal™ coating	• 720 hours corrosion resistance • Long-lasting quality
