

JM 12-FT PVC & TPO

SINGLE PLY ROOFING

FEWER SEAMS. MORE PRODUCTIVITY. JM 12-FT PVC & TPO

We have the WIDEST offering in the industry as the only manufacturer with both 12-FT PVC and 12-FT TPO rolls, reducing your seams by 20%. With our tested and proven PVC and TPO, you weld fewer laps and make fewer lifts to the roof, which leads to less labor, less risk, and more profits for your projects.
