SUSTAINABILITY

- Bio-based binder technology
- Formaldehyde-free
- UL Certified 55% recycled glass content

INDOOR AIR QUALITY

- Certified Asthma & Allergy Friendly®
- Verified Healthier Air™
- Greenguard Gold Certified

MADE TO PERFORM

THIRD-PARTY TESTED

Our products undergo strict testing to ensure they are free of harmful chemicals.

ECOSE® TECHNOLOGY

Our patented bio-based binder is derived from plants to give the insulation a unique brownish appearance. A smarter alternative compared to petro-based binders.

FORMALDEHYDE-FREE

Constructed without the use of phenol formaldehyde-based resins to ensure our buildings are environmentally friendly.

CLASS A FIRE RATING

Flame spread index of 25 or less and a smoke developed index of 50 or less.*

INTERIOR COMFORT

Proven energy efficiency and sound absorption for enhanced comfort and privacy.

INSTALLER EASE

Low on dust and easy to handle for a seamless install.

Performance+ HOLDS ALL CERTIFICATIONS

At Knauf, we're creating innovative insulation solutions that shape the way we live and build in order to make tomorrow a better home for all of us.

*This rating applies to unfaced batts, rolls and blowing wool.
