

Flared 2-Strut Tyloop (TL2F)

AR 2 Strut Flared Tyloops are made with the loop end flared for greater anchorage in the concrete. Standard lengths are 9" (230 mm) for 1/2" (13 mm) diameter and 12" (305 mm) for 3/4" (20 mm) diameter. Can be supplied in special lengths and flares to order. TO ORDER, give nominal diameter, by length, symbol and name. Example: - 1/2" x 9" (13 mm x 230 mm) TL2F 2 Strut Flared Tyloop.
